

**Subject** I-94/U.S. Highway 10 Mississippi River Crossing Feasibility Study

**Authors** Stephenson and Heinrich

**Analyst** Matt Burress (matt.burress@house.mn)

**Date** February 25, 2019

## Overview

This bill appropriates an unspecified amount (i.e., to be determined) from the general fund in fiscal year 2020 to the Department of Transportation for a feasibility study of a Mississippi River crossing that links Interstate Highway 94 and U.S. Highway 10, in the cities of Dayton and Ramsey. The funds can be provided as grants to a local unit of government to lead the study. It is a onetime appropriation.
