## Overview

Allows the city of Cloquet to reallocate some of the \$5.8 million of local sales tax revenue currently earmarked for property development along Highway 33 and Interstate Highway 35 to the other projects that the city may already fund with its sales tax revenue (various park improvements, or other sewer and water infrastructure improvements identified in the city comprehensive land use plan.) The total amount the city may raise from its local sales tax does not change.

Effective upon the city complying with approval and notice requirements for special laws.
