

Subject Requiring the commissioner of revenue to publish sales tax rates by nine-digit zip code

Authors Koegel

Analyst Pat Dalton

Date February 14, 2019

Overview

Requires the commissioner of revenue to publish separately stated combined state and local sales tax rates by nine-digit zip code using software approved by the Streamlined Sales and Use Tax Governing Board. On the back of this page is a screenshot of the Department of Revenue web page listing the various sales tax rate tools they make available to the public.
