

Subject Voter Registration Information

Authors Nash and others

Analyst Janelle Taylor

Date February 12, 2019

Overview

This bill would require the Department of Natural Resources (DNR) to provide voter registration information on its resident fishing and hunting licensing website and in its fishing and hunting and trapping regulation booklets.

Summary

Section	Description
1	<p>Voter registration information.</p> <p>Paragraph (a) requires the DNR website used to purchase resident hunting and fishing licenses to include voter registration eligibility requirements, a description of how to register to vote, and a link to the secretary of state's online voter registration website. Requires the information to be easy to read and in a prominent location.</p> <p>Paragraph (b) requires the DNR to include certain voter registration information and a link to the secretary of state's online voter registration website in the printed and digital version of the fishing and hunting and trapping regulation booklets. The booklets must also include a voter registration application.</p> <p>Paragraph (c) requires the secretary of state to provide the necessary voter registration information to the DNR and approve the voter registration application used in the registration booklets.</p>
