Overview

H.F. 1799 expands the range of container sizes in which the sale of malt liquor may be made by brewpubs and microbreweries.

Summary

Section	Description
1	Growlers. Allows off-sale of malt liquor by brewpubs and microbreweries in containers sized between 350 milliliters to two liters. Current law allows these sales in either 64-ounce containers (growlers) or 750 milliliter bottles.
