

Subject County cost of care for state-operated facility services

Authors Zerwas and Considine

Analyst Sarah Sunderman

Date March 22, 2019

Overview

This bill modifies the circumstances under which the commissioner may recover the cost of care from clients in state-operated facilities (regional treatment centers, state nursing homes, and state-operated, community-based programs), and allows for a state agency hearing if a county disputes the state-operated facility cost of care, under specified circumstances.

Summary

Section	Description
1	<p>Applicability. Amends § 246.51, subd. 3.</p> <p>Specifies that the commissioner cannot recover any state-operated facility cost of care amount that the county is disputing, under section 256.045, subdivision 3, paragraph (a), clause (15).</p>
2	<p>State agency hearings. Amends § 256.045, subd. 3.</p> <p>Adds to the list of available state agency hearings, that a county can dispute the cost of care in a state-operated facility based on delayed client discharge caused by:</p> <ul style="list-style-type: none">(i) lack of notice to the county that the client no longer met the criteria for the facility;(ii) a determination that the client no longer met criteria for the facility on a weekend or holiday;(iii) disagreement between the facility and the county about the county's discharge plan;(iv) incomplete paperwork; or(v) the lack of available beds for safety net services.
