

Subject Minnesota State required to create a program for students with intellectual and developmental disabilities

Authors Daniels

Analyst Sean Williams

Date February 25, 2020

Overview

This bill requires Minnesota State Colleges and Universities (Minnesota State) to offer a program for students with intellectual disabilities and/or developmental disabilities (IDD).

Summary

Section	Description
---------	-------------

- | | |
|---|--|
| 1 | <p>Program for students with intellectual and developmental disabilities.</p> <p>Subd. 1. Program required. Requires Minnesota State to offer a program for students with IDD.</p> <p>Subd. 2. Program locations. The program must be available at no fewer than two college or university campuses throughout the state. The board must choose campuses based on their ability to offer the program using existing facilities and resources, and a goal to offer the program in different geographic regions.</p> <p>Subd. 3. Enrollment and admission. Each program location must seek to enroll 15 students per academic year. The program must award a credential to a student upon completion.</p> <p>Subd. 4. Curriculum and activities. The program must provide a full-time, two-year residential college experience. Specific curriculum requirements are also enumerated. The board may tailor the curriculum and activities to highlight unique aspects of the campus or region of the state where the programs are located.</p> <p>Subd. 5. Reporting. Imposes an annual reporting requirement on the status of the program.</p> |
|---|--|

The bill is effective for the 2020-2021 academic year.
