Date March 21, 2019

Overview

H.F. 2646 moves the application deadline for the disabled veterans homestead exclusion from July 1 to December 31. Because homestead status is required for this exclusion, the homestead application deadline, which is currently December 15, must also be moved to December 31. Additionally, this bill moves the occupancy requirement for the homestead application from December 1 to December 31.

Summary

| Section | Description |
|---------|--|
| 1 | <p>Homestead established after assessment date.</p> <p>Moves the occupancy deadline for the homestead application from December 1 to December 31, and moves the homestead application deadline from December 15 to December 31.</p> <p>Effective for assessments beginning in 2019.</p> |
