

Subject Department of Labor and Industry legislative proposals

Authors Frederick

Analyst Marta James

Date February 9, 2021

Overview

This bill makes policy, technical, and conforming changes requested by the Department of Labor and Industry. Changes would be effective August 1, 2021.

Summary

Section	Description
1	Occupational safety and health citations; conforming change. Makes conforming change with section 5.
2	Data on individuals who are minors; conforming change. Makes conforming change with section 4.
3	Apprenticeship rules. Makes changes to state apprenticeship law to conform with federal apprenticeship requirements.
4	Data on individuals who are minors. Classifies child labor data obtained by the commissioner of labor and industry as private data on individuals, unless it is considered public under the Minnesota Government Data Practices Act. Protects a minor's name, date of birth, social security number, email and mailing addresses, phone number, online access information, and other identifying information from disclosure.
5	Classification of citation data. Makes citations received by the Minnesota Occupational Safety and Health Administration (MNOSHA) public as soon as MNOSHA confirms that an employer has received them. Includes all parts of the citation.

Section	Description
6	<p data-bbox="316 262 1429 294">Construction Codes Advisory Council membership.</p> <p data-bbox="316 304 1429 382">Adds members to the Construction Codes Advisory Council that work in the energy conservation industry and building accessibility advocacy.</p>
