## Summary

This bill appropriates \$350,000 in fiscal year 2022 and the same amount in fiscal year 2023 from the workforce development fund for performance grants to the International Institute of Minnesota for workforce training of New Americans. Such performance grants pay an organization \$11,000 for every qualified graduate placed in employment and a further \$11,000 if a qualified graduate retains such employment for at least one year.
