Overview

Under current law, identity theft involving eight or more direct victims or a combined, total loss to all victims of more than \$35,000 appears in the same numbered clause as identity theft related to child pornography. The maximum penalty for each of those offenses is 20 years imprisonment, a fine of \$100,000, or both. The bill separates these offenses into two different numbered clauses without changing the penalty levels.

Summary

Section	Description
---------	-------------

- | | |
|---|---|
| 1 | <p>Penalties.</p> <p>Amends the penalty subdivision of the crime of identity theft to separate the penalties for offenses involving eight or more victims or a combined loss of more than \$35,000 from the penalties for offenses related to possession or distribution of pornographic work.</p> |
