Summary

This bill appropriates \$900,000 in fiscal year 2022 and the same amount in fiscal year 2023 from the workforce development fund for performance grants to Twin Cities R!SE to provide job training for hard-to-train individuals. Such performance grants pay an organization \$11,000 for every qualified graduate placed in employment and a further \$11,000 if a qualified graduate retains such employment for at least one year.

Twin Cities R!SE received appropriations for similar work of \$700,000 in fiscal years 2020 and 2021 and \$800,000 in fiscal years 2018 and 2019.
