**Date** March 1, 2021

### Overview

This bill permits individuals under supervision for a criminal offense to participate in the medical cannabis program.

## Summary

Section	Description
---------	-------------

<b>1</b>	<b>Probation; supervised release.</b>
----------	---------------------------------------

Prohibits a court or the commissioner of corrections from preventing a person from participating in the medical cannabis program as a condition of release, revoking a person's release for participation in the program, or consider the person's participation in the program when imposing penalties for violations of conditions of release.
