

Subject Unemployment benefits for high school students

Authors Noor

Analyst Marta James

Date March 1, 2021

Summary

This bill would allow high school students to qualify for unemployment insurance benefits if they otherwise meet eligibility requirements. Currently high school students are excluded from receiving unemployment benefits under Minnesota law. Following a recent Minnesota Court of Appeals decision, high school students may be eligible for temporary Pandemic Unemployment Assistance under the federal CARES Act. This bill would be effective August 1, 2021.
