

**H.F. 1364**

As amended by H1364DE2

**Subject** Youthprise appropriation

**Authors** Xiong, T.

**Analyst** Anna Scholin

**Date** March 15, 2021

**Summary**

This bill appropriates \$2,000,000 in fiscal year 2022 and the same amount in fiscal year 2023 from the workforce development fund for a grant to Youthprise for economic development in communities with concentrated East African populations. Half of the grant is for a subgrant to Rising Impact and half is for subgrants to other community organizations. To the extent possible, at least 50 percent of these subgrants should be to provide services in greater Minnesota.

The 2019 Jobs Omnibus law appropriated \$500,000 each year in fiscal years 2020 and 2021 from the workforce development fund to Youthprise for similar work.
