

**Subject** Firefighter Certification Board

**Authors** Huot

**Analyst** Jeff Diebel

**Date** March 17, 2021

## Summary

This bill creates a Firefighter Certification Board that is comprised of 18 members. The board is tasked with developing and maintaining a program to determine and certify the competency of firefighters among other related duties. The bill also creates a firefighter certification account that is funded, primarily, with fees from individuals who apply for certification as a firefighter. Funds in the account are to be used to fund the board's activities.
