

**Subject** Emerging farmers

**Authors** Vang

**Analyst** Colbey Sullivan

**Date** March 23, 2021

## Summary

This bill would establish and fund an emerging farmer office at the Minnesota Department of Agriculture (MDA) and create a dedicated Emerging Farmer Account in the Agricultural Fund to further the objectives of MDA's Emerging Farmer Working Group and to support the new emerging farmer office.

The bill would also appropriate money to the MDA for grants to emerging farmers and organizations that support emerging farmers.
