

H.F. 2391

As introduced

Subject Aquaculture

Authors Klevorn

Analyst Colbey Sullivan

Date February 1, 2022

Summary

This bill would appropriate \$100,000 to the Minnesota Department of Agriculture (MDA) to provide technical assistance and leadership in the development of a comprehensive and well-documented state aquaculture plan. MDA would be required to submit this plan to the legislature no later than February 15, 2023.
