

H.F. 2492

As amended by H2492DE1

Subject Elevator code
Authors Nelson, M.
Analyst Anna Scholin
Date March 28, 2022

Summary

Exempts from the definition of “elevator” —and thus from the requirements of the licensing scheme—work involving conveyors, platform lifts other than those lifting mobility-impaired people, dock levelers, tiering or piling machines, machine tool and printing press equipment, wharf ramps, amusement devices, and lift bridges.
