Overview

H.F. 2619 would make two changes relating to food inspections and wine licenses for 3.2 licensees having sales of less than \$50,000.

Summary

Section	Description
---------	-------------

- | | |
|---|---|
| 1 | <p>Variance requests.</p> <p>Makes a technical change to the food inspection variance law to remove a reference to recently repealed statutes.</p> <p>Also provides that the sections of law and rules relating to food inspections (that is, the food code) do not apply to 3.2 licensees having less than \$50,000 in sales.</p> |
| 2 | <p>Wine licenses.</p> <p>Creates an exception to the wine license requirements for 3.2 licensees having less than \$50,000 in sales.</p> |
