

**Subject** Enrollment fees for patients in medical cannabis program

**Authors** Edelson

**Analyst** Elisabeth Klarqvist

**Date** March 10, 2022

### Overview

Patients must pay an annual fee to the commissioner of health to enroll in the medical cannabis program and obtain medical cannabis through the program. This bill reduces enrollment fees, from \$50 for patients enrolled in certain state or federal programs and \$200 for all other patients, to \$40 for all patients.

### Summary

Section	Description
---------	-------------

<b>1</b>	<b>Fees; deposit of revenue.</b>
----------	----------------------------------

Amends § 152.35. Reduces annual fees for patients to enroll in the medical cannabis program, from \$50 for patients enrolled in certain federal or state programs and \$200 for all other patients, to \$40 for all patients.
