

Subject Meat and poultry processing

Authors Nelson, N. and others

Analyst Colbey Sullivan

Date March 1, 2022

Summary

This bill would appropriate \$100,000 on a onetime basis to the Minnesota Department of Agriculture for grants to meat processors with no more than 50 full-time equivalent employees, and poultry processors. The grants would reimburse eligible processors for costs incurred to attend courses that support the development of sanitation standard operating procedures, hazard analysis and critical control points (HACCP) plans, or business plans.
