Section	Description

6   **Repealer.**

Repeals a part in Minnesota Rules, chapter 4880 (regarding private career schools) that splits the schools into two categories and imposes different relicensure requirements. The underlying statute supporting this rule, section 136A.823, subdivision 2, was repealed in the 2021 higher education omnibus act. Note that most of chapter 141 has been renumbered as section 136A.82–834, the "Private Career School Act."
