Summary

This bill would increase the existing fiscal year 2022 and 2023 general fund appropriations for the Agricultural Utilization Research Institute (AURI). These appropriations were originally enacted in the 2021 omnibus agriculture finance act (Laws 2021, First Special Session chapter 3). The bill would increase the appropriation in each year by \$200,000 and would take effect the day following final enactment.

AURI is a 501(c)(3) nonprofit corporation originally established by the legislature in 1987 as part of the now-defunct Greater Minnesota Corporation (Laws 1987, chapter 386).
