

Subject Agricultural Utilization Research Institute

Authors Sundin

Analyst Colbey Sullivan

Date February 22, 2022

Summary

This bill would appropriate \$600,000 to the Agricultural Utilization Research Institute (AURI) on a onetime basis to develop and fill a life cycle analyst position.

AURI is a 501(c)(3) nonprofit corporation originally established by the legislature in 1987 as part of the now-defunct Greater Minnesota Corporation (Laws 1987, chapter 386).
