Summary

Makes a onetime \$400,000 appropriation in fiscal year 2023 from the workforce development fund for a performance grant to Hired for career pathway job training and placement work. Performance grants under this statute pay the training program \$11,000 per person who successfully completes the training program and is placed in employment and an additional \$11,000 if the graduate retains employment for at least one year. Both the job training and the employment placement must meet statutory standards.
