

H.F. 4057

As Introduced

Subject Meat Cutting
Authors Anderson and others
Analyst Colbey Sullivan
Date March 22, 2022

Summary

This bill appropriates \$1 million to the Minnesota Department of Agriculture (MDA) for grants of up to \$100,000 to secondary career and technical education programs that offer instruction in meat cutting and butchery. The bill includes a non-exhaustive list of grant-eligible costs and specifies that grant recipients may use up to 10 percent of the grant to train faculty. It also requires MDA to prioritize applicants who coordinate with the Minnesota State Colleges and Universities system and local industry partners.
