

**Subject** Department of Corrections computer and data systems funding

**Authors** Moller

**Analyst** Jeff Diebel

**Date** March 16, 2022

## Summary

This bill appropriates \$1,000,000 in fiscal year 2022 and \$11,000,000 in fiscal year 2023 to replace or improve existing data management systems. The commissioner must also use the funds to develop, design, and implement a statewide public safety data information-sharing infrastructure. The appropriation is added to the agency's base.
