

Subject Family law; modifying requirements for parent education program

Authors Scott and others

Analyst Mary Mullen

Date February 8, 2021

Summary

This bill requires the court to list parenting education program information on their website, and allows parties who have not agreed to a parenting time schedule who are required to take the parenting education class to do so online.

It also requires the parties to complete the class before the initial case management conference, unless otherwise ordered by the court, and to be provided for information by the court on how to resolve disagreements through mediation.
