Summary

This bill appropriates \$2,000,000 in fiscal year 2022 and the same amount in fiscal year 2023 from the general fund for a grant to Comunidades Latinas Unidas En Servicio-Latino Communities United in Service (CLUES) for workforce training and employment services for low-income people. At least half of the funding must be used for programming in greater Minnesota.

The 2019 Jobs omnibus law appropriated \$625,000 to CLUES for similar work in fiscal years 2020 and 2021.
