Overview

This bill expands the authority of cities to place advertising, public art, and signage on some mobility facilities located in road right-of-way.

Summary

Section	Description
---------	-------------

- | | |
|---|---|
| 1 | Micromobility facilities.
Broadens authority for cities to place advertising, public art, and signage on facilities in the right-of-way of a public road in some circumstances, to include facilities (such as docks and charging stations) for smaller powered vehicles. |
| 2 | Shared electric vehicle facilities.
Authorizes cities to place advertising, public art, and signage on facilities for shared electric vehicle mobility service in the right-of-way of a public road. |
| 3 | Micromobility device.
Defines a “micromobility device” in the chapter of statutes governing traffic regulations. |
