Date February 21, 2023

Summary

This bill modifies the definition of “public employee” under the Public Employment Labor Relations Act (PELRA). A “public employee” would now include an individual hired by the Board of Trustees of the Minnesota State Colleges and Universities as the instructor of record to teach (1) one class for more than three credits in a fiscal year, or (2) two or more classes in a fiscal year. Also removes related exclusionary language under the current law.
