

Subject Career pathways program

Authors Lislegard and others

Analyst Anna Scholin

Date March 13, 2023

Summary

Appropriates \$300,000 in fiscal year 2024 from the general fund for a grant to a school district in Houston for the Minnesota Virtual Academy's career pathways program with Operating Engineers Local 49 which may function as a pre-apprenticeship program. Allows funding to be used for student support services and keeps funds available until the end of fiscal year 2025. Requires outreach to students from disadvantaged populations and a report to the legislature.

In a previous omnibus bill, \$100,000 was appropriated for the career pathways program in fiscal year 2022.
