Summary

This bill would define “microplastics,” “nanoplastics,” and “plastic” in chapter 115 and appropriate \$2,000,000 to the commissioner of the Pollution Control Agency (PCA) to develop and implement testing protocols to be used for sampling and testing groundwater, surface water, public drinking water, and private wells for microplastics and nanoplastics. Allows the commissioner to transfer money to the commissioner of health to implement the protocols developed.
