

Subject DNR Drill Core Library

Authors Hansen, R. and others

Analyst Janelle Taylor

Date April 6, 2023

Summary

This bill appropriates \$1,000,000 in fiscal year 2023 to the Department of Natural Resources (DNR) to address safety concerns, including upgrades to storage racks, at the department's drill core library in the city of Hibbing. The library stores drill core samples and other data collected during minerals exploration and other activities.
