

Subject Opioid treatment program requirements

Authors Baker and others

Analyst Sarah Sunderman

Date March 3, 2023

Overview

This bill modifies opioid treatment program requirements in chapter 245G, extending treatment plan review frequency and allowing opioid treatment program counselors to supervise more clients.

Summary

Section	Description
---------	-------------

- | | |
|---|---|
| 1 | Nonmedication treatment services; documentation.
Amends § 245G.22, subd. 15. Modifies opioid treatment program nonmedication treatment services so that the required treatment plan review occurs at least once every three months instead of monthly. |
| 2 | Policies and procedures.
Amends § 245G.22, subd. 17. Modifies opioid treatment counselor supervision of clients by increasing the maximum number of clients per counselor from 50 to 75, provided that patients have reasonable and prompt access to the counselor and receive counseling services at the required frequency and intensity. |
