

**Subject** Browerville School District; Capital Grant for Gymnasium

**Authors** Wiener and Others

**Analyst** Tim Strom

**Date** March 25, 2024

## Overview

In April 2023, a snowstorm caused the roof of the Browerville school district's gymnasium to collapse, necessitating the need for the gymnasium to be fully demolished to prevent additional damage to the remainder of the school building.

H.F. 3295 authorizes a state capital grant of \$7.8 million from state bond proceeds to pay for a portion of the construction costs of the new gymnasium.

## Summary

Section	Description
---------	-------------

- |   |   |
|---|---|
| 1 | <p><b>Appropriation.</b></p> <p>Appropriates \$7.8 million from the state bond fund for a grant to Independent School District No. 787, Browerville, to construct a new gymnasium for the high school. Authorizes the state to sell general obligation bonds to fund the grant.</p> |
