## Overview

This bill modifies coverage of long-term services and supports under emergency medical assistance (EMA) and instructs the revisor of statutes to renumber statutes related to EMA.

## Summary

Section	Description
---------	-------------

- |   |  |
|---|--|
| 1 | <p><b>Citizenship requirements.</b></p> <p>Amends § 256B.06, subd. 4. With the approval of the commissioner, allows long-term services and supports following covered treatment of an emergency medical condition to be covered under EMA if withholding long-term services and supports would quickly result in the recipient experiencing another emergency medical condition requiring covered treatment. Removes language related to coverage of elderly waiver and certain nursing facility services.</p> |
| 2 | <p><b>Revisor instruction.</b></p> <p>Instructs the revisor of statutes to renumber language related to emergency medical services and to make related cross-reference changes.</p>  |
