Summary

This bill would require the school trust lands director to study the recreational use of the state's school trust lands to determine the amount of money to be allocated to the permanent school fund from fees paid to the state for outdoor recreation purposes. Requires the Department of Natural Resources (DNR) to assist the director and allows the director to contract for additional survey data. Specifies the contents of the study and requires the director to submit a report with the findings to the legislature by January 15, 2025.

Provides an unspecified appropriation for the director to conduct the study.
