Summary

This bill reduces the number of board members of a hospital district in Swift County from nine to 12 voting members to six voting members. The bill also authorizes the hospital district to change the number of board members through adoption and amendment of bylaws.

Technical changes are made throughout the bill to correct an erroneous reference to the provision governing the bylaws of the hospital district board.

Effective the day after the governing bodies of Swift County and the city of Benson and their respective chief clerical officers timely complete their compliance with Minnesota Statutes, section 645.021, subdivisions 2 and 3.
