## **Summary**

Section 1 adds a new subdivision 3a to section 177.24, to require tips received by an employee via debit or credit card to be credited to the employee in the pay period received and paid to the employee no later than the next scheduled pay period. Consistent with this new subdivision, section 2 repeals the existing Minnesota Rule (Minnesota Rules, part 5200.0080, subpart 7) that covers credit card gratuity charges.
