Summary

This bill proposes a state constitutional amendment to codify a right of equality, to read as follows: “Equality under the law shall not be abridged or denied by this state or any of its cities, counties, or other political subdivisions on account of race, color, creed, sex, sexual orientation, gender identity or expression, age, disability, ancestry, or national origin.”

The proposed amendment would be submitted to the voters at the 2024 state general election and, if ratified, would take effect January 1, 2025.
