

Subject Elimination of rail project prohibitions

Authors Hanson, J., and others

Analyst Matt Burress (matt.burress@house.mn.gov)

Date January 20, 2023

Summary

This bill repeals two rail project moratoriums:

- a Metropolitan Council prohibition on expenditures for study, planning, project development, or operations of passenger rail between the Twin Cities metropolitan area and Rochester; and
- a 2002 law that prohibits planning, project development, and construction of a commuter rail line between Minneapolis and Northfield, known as the “Dan Patch” line.
