This bill, as amended by H0626A1, creates a new section 471.585, which authorizes a city or town to adopt an ordinance requiring hotels operating within the municipal boundaries to have a valid license issued by the city or town. The license fee may not exceed \$150. The ordinance can only require compliance with state and local laws as a condition of licensure. A license may be refused by the city or town if the hotel fails to comply with the license conditions.
