

Subject Literacy  
Authors Feist and Others  
Analyst Cristina Parra  
Date February 10, 2023

## Summary

This bill requires reporting of data related to literacy. It requires schools to report data to the commissioner, including reading curriculum and assessment results, and the commissioner to create a database with the information from schools. The database must be available on the department website by September 1, 2024. The bill also requires the Professional Educator Licensing and Standards Board to report on teachers that have received literacy training by September 1, 2024.
