

Subject Prevailing Wage on Renewable Development Fund Construction
Projects

Authors Newton and Others

Analyst Marta James

Date February 27, 2023

Summary

This bill requires prevailing wage to be paid on construction projects receiving funds from the renewable development account under section 116C.779, subdivision 1, and to comply with certain prevailing wage provisions of the Minnesota Fair Labor Standards Act, including the commissioner's authority, recordkeeping, and penalty provisions, as well as enforcement and other prevailing wage requirements under existing prevailing wage law.
