## Summary

This bill appropriates \$1,270,000 in fiscal year 2026 and \$2,050,000 in fiscal year 2027 from the general fund to the commissioner of public safety to purchase weather forecasting gap-filling radar data and services. The radar data and services are intended to address gaps in weather radar coverage in the state and to inform planning, preparation, and response to severe weather.

The fiscal year 2026 appropriation is added to the agency's base.
