Date March 20, 2025

Overview

This bill adjusts some speed thresholds, from 30 to 35 miles per hour, for implements of husbandry and other vehicles related to towing, use of taillights, slow-moving vehicle emblems, and load covering. Effective August 1, 2025.

Summary

Section	Description
---------	-------------

- | | |
|---|--|
| 1 | Requirements; exception.
Increases the speed at which an implement of husbandry can be towed without taillights and license plate illumination being required, from 30 to 35 miles per hour. |
| 2 | Displaying emblem; rules.
Increases the upper designed operating speed of various vehicles for which a slow-moving vehicle emblem is required to be displayed, from 30 to 35 miles per hour.
Increases the speed at which an empty implement of husbandry can be towed without removing a slow-moving vehicle emblem, from 30 to 35 miles per hour. |
| 3 | Speed.
Increases the maximum allowed speed when operating or towing an implement of husbandry, from 30 to 35 miles per hour. |
| 4 | Securing load; exceptions.
Increases the maximum allowed speed in which trash or debris can be transported without the load being covered, from 30 to 35 miles per hour. |
