Subject Increasing the annual appropriation for soil and water conservation district aid

Authors Reyer and others

Analyst Jared Swanson

Date March 4, 2025

Summary

This bill increases the annual appropriation for soil and water conservation district aid from \$12,000,000 to \$22,000,000 beginning with aids payable in 2025. Soil and water conservation district aid was established in 2023 and distributes aid annually to all soil and water conservation districts in the state.
