

Subject Authorization of indirect billing for individualized home supports

Authors Frederick and others

Analyst Danyell A. Punelli

Date March 10, 2025

Overview

This bill requires the commissioner of human services to submit to the Centers for Medicare and Medicaid Services (CMS) all necessary home and community-based services (HCBS) waiver plan amendments to allow providers of individualized home supports to bill for the indirect provision of specified services.

Individualized home supports provide support and/or training in community living service categories for people who are living in their own home or their family's home and can be provided in the person's own home, the family's home, or in the community.

Summary

Section	Description
---------	-------------

1	Direction to commissioner; billable indirect time authorization for individualized home supports.
---	--

Requires the commissioner of human services to submit to CMS all necessary amendments to HCBS waiver plans to allow providers of individualized home supports with training, individualized home supports without training, and individualized home supports with family training to bill for the indirect provision of specified services, including collaborating with employers to ensure maintenance of the service recipient's desired employment and coordinating to ensure the service recipient is able to continue to live independently in the service recipient's own home. Defines "indirect provision of services."

Provides a July 1, 2025, effective date.
